EINLEITUNG

Die Bibliographie der Rezensionen stellt die Abteilung C der Internationalen Bibliographie der Zeitz schriftenliteratur dar und befaßt sich mit der Aufnahme der wichtigsten Besprechungen von Büchern und Karten aus sämtlichen Wissensgebieten etc., die in den am Anfang des Bandes verzeichneten etwa 5000 deutschsprachigen Zeitschriften, Sammelwerken, Jahrbüchern und etwa 50 deutschsprachigen Tageszeitungen und deren Beilagen, bezw. 4000 Zeitschriften etc. fremdzsprachiger Zunge im Laufe des vergangenen Jahres erschienen sind.

Mit großer Mühe und Sorgfalt sind aus diesen Zeitschriften etc. etwa 55 000 Titel von besprochenen Büchern, neuen Zeitschriften, Sitzungsberichten, Karten usw. ausgewählt und aufgenommen worden. Während von Unterhaltungsliteratur (Romanen, Novellen, Gedichten, Theaterstücken) Predigtliteratur, Andachtsbüchern, Schulbüchern, Kalendern nur längere Rezensionen von über einer Seite Umfang aufgenommen sind, wurden rein wissenschaftliche und populärwissenschaftliche Buch= etc.Besprechungen auch von kürzerem Umfang, ihremWert entsprechend mitverzeichnet, da bei den letztgenannten selbst in wenigen sachlichen Worten eine Kritik für den Benutzer von ausschlaggebender Bedeutung sein kann.

Der Nutzen, den der Fachgelehrte im besonderen und jeder Benutzer im allgemeinen aus der vorliegenden Publikation ziehen kann, ist der, daß es ihm nur hierdurch ermöglicht ist, mehrere Besprechungen über das von ihm zu Rate gezogene Werk nebeneinander zu stellen, um hieraus auf
den Wert oder Unwert desselben schließen zu können, oder Hinweise auf Unrichtigkeiten in demselben zu erhalten und auszuwerten. Es ist somit die Möglichkeit gegeben, sich rasch über die
Aufnahme, die eine Publikation in der Fach- und Allgemeinpresse gefunden hat, zu orientieren.
Die Erfahrung des Herausgebers und der Benutzer hat gelehrt, daß selbst mancher Verfasser
irgendeines Werkes in vorliegender Bibliographie Nachweise von Kritiken über seine Arbeit
finden wird, die ihm selbst bislang unbekannt geblieben sind.

Die Bibliographie der Rezensionen stellt jedenfalls allein schon auf Grund der über sie selbst erschienenen Besprechungen ein ebenso unersetzliches wie wertvolles Nachschlagewerk für alle Bibliotheken, Institute, Autoren und Verleger dar und verdient in den Bibliotheken einen Aufstelslungsplatz, wo sie jeder Besucher sofort zur Hand haben kann.

Die Bibliographie der Rezensionen erscheint in zwei Bänden pro Jahr und berücksichtigt jeweils abswechselnd pro Band die deutschen und fremdsprachigen Zeitschriften etc.

An dieser Stelle sollen die Benutzer der Bibliographie der Rezensionen auch auf die weiteren Absteilungen der Internationalen Bibliographie der Zeitschriftenliteratur aufmerksam gemacht werden.

Die Abteilung A: Bibliographie der deutschen Zeitschrittenliteratur stellt ein alphabetisches, nach Schlagworten in deutscher Sprache geordnetes Verzeichnis von z. Zt. jährlich etwa 180 000 Titeln von Aufsätzen, Abhandlungen etc. aus über 5000 Zeitschriften, Sammelwerken etc. deutscher Zunge dar, sie erscheint in zwei Bänden pro Jahr, jeweils mit vollständigem Verfasserregister. Auf Wunsch der Benutzer dieser Bibliographie wird die Titelaufnahme sowie die Zahl der bearbeiteten Zeitschriften nach und nach weiter vergrößert.

Das hierzu als Beilage erscheinende Verzeichnis von Aufsätzen aus deutschen Zeitungen bringt die Aufnahme von wertvollen Artikeln aus etwa 50 deutschsprachigen Tageszeitungen, erscheint zur Zeit monatlich und erhält jährlich ein Gesamt=Sach= und Verfasserregister.

Die Abteilung B: Bibliographie der fremdsprachigen Zeitschriftenliteratur befaßt sich mit der Aufnahme von etwa 125 000 Titeln pro Jahr in 2—3 Bänden von Zeitschriftenartikeln aus etwa 4000
fremdsprachigen Zeitschriften, registriert nach Schlagworten in deutscher Sprache, ebenfalls mit
Verfasserregister.

Der Herausgeber bittet, ihn auf etwa stehen gebliebene Unrichtigkeiten oder Ungenauigkeiten aufmerksam zu machen, die sich an Hand des Originalmanuskriptes eventuell berichtigen lassen dürften und im nächstfolgenden Bande richtig gestellt werden sollen. Mit Rücksicht darauf, daß das Material teils von verschiedenen Seiten geliefert wird, und es sich bei dem derzeitigen Umfang um jährlich über 500000 Titelaufnahmen aus etwa 10000 deutsch= und fremdsprachigen Zeitschriften etc. für alle Abteilungen der Internationalen Bibliographie der Zeitschriftenliteratur handelt, sind Irrtümer nie ganz ausgeschlossen.

BENUTZUNGSREGELN

Die Aufnahme der Titel erfolgt in der Bibliographie der Rezensionen in alphabetischer Reihensfolge der Namen der Verfasser des betr. Werkes, bzw. nach den jetzt üblichen Registraturregeln bei Werken, die unter Sachtiteln aufzunehmen sind. Die Umlaute ä, ö, ü sind im Alphabet wie ae, oe und ue, also hinter ad, od und ud, bzw. vor af, of und uf eingeordnet. Erworbene Titel bei Eigennamen, wie Prof., Dr. etc. müssen aus Raummangel wegfallen. Um auf gedrängtem Raume möglichst viel Material zu bieten, sind die Titel der besprochenen Werke nach Möglichkeit gekürzt wiedergegeben, ohne ihnen jedoch an Klarheit etwas zu nehmen. Betreffs der allgemein anges wandten Wortkürzungen siehe die Rubrik "Abkürzungen" auf Seite 5.

Anschließend an den Titel folgt, soweit dies erkennbar war, die Auflage des besprochenen Werkes oder bzw. und nach Möglichkeit das Erscheinungsjahr. Die hierauf folgende fette Ziffer stellt die Schlüsselzahl für die Zeitschrift, in der die Besprechung enthalten ist, dar. Diese Nummer ist in der Zeitschriftenliste am Anfang des Bandes nachzuschlagen, so würde z. B. die fette Nummer 4931. die Zeitschrift "Diritto fascista" ergeben.

Anschließend an die Zeitschriftennummer folgt die Banda, Jahrgangsa oder Nummernangabe, fehlt diese, so ist die Bandangabe ebenfalls aus der Zeitschriftenliste zu ersehen. Sollten sich hier irgendwelche Zweifel ergeben, so handelt es sich stets um den dem betreffenden Band der Bibliographie entsprechenden Jahrgang.

Die der Bandangabe folgenden Zahlen sind die Seitenzahlen, bei Besprechungen von über einer Seite Umfang ist dies im allgemeinen ersichtlich.

Der hierauf folgende Name in Klammern () ist derjenige des Rezensenten, fehlt dieser, so war er bei Aufnahme des Titels nicht ersichtlich.

Sofern mehrere Besprechungen über ein Werk aufgenommen sind, sind diese ohne Wiederholung des Titels fortlaufend angehängt, der senkrechte Strich | kennzeichnet die Trennungen zwischen den einzelnen Besprechungen.

ABKÜRZUNGEN

Um den Benutzern möglichst viel Material zu bieten und den Umfang dieser Bibliographie trotzdem in gewissen Grenzen zu halten, sind wir gezwu...gen, dieses Material auf engstem Raum unterzubringen, ohne ihm an Klarheit etwas zu nehmen.

Die Endsilbe ..ung ist gekürzt durch =g. (z. B. Wohng, statt Wohnung, bezw. Wohngn. statt Wohnungen)
Die Endsilbe ..heit durch =ht. Die Endsilbe elich oder =lisch durch =l. (z. B. engl. statt englisch).
Die Endsilbe ..isch ist meist weggelassen (z. B. span. statt spanisch).

```

~ steht für Wiederholung des Schlagworts.

Weitere Wortkürzungen sind so ausgeführt, daß jeder Zweifel ausgeschlossen sein dürfte.

LISTE DER ZEITSCHRIFTEN,

Sammelwerke, Jahrbücher, Siţungsberichte, Zeitungsbeilagen usw., die für die "Bibliographie der Rezensionen" (fremdsprachige Bände) bearbeitet werden.

Angestrebt wird möglichste Vollständigkeit der in Frage kommenden Publikationen des "Gesamtverzeichnisses der ausländischen Zeitschriften, herausgegeben vom Auskunftsbureau der deutschen Bibliotheken, Berlin". Außerdem finden neu erscheinende Zeitschriften, soweit sie für uns erreichbar sind, laufend Aufnahme in der Bibliographie.

Bei der Schwierigkeit der Erlangung des Materials und gezwungen, einen gewissen Umfang nicht zu überschreiten, kann vorläufig nur veröffentlicht werden, was zunächst erreichbar ist. Auf vielseitigen Wunsch hin werden auch von Band 67 ab die wichtigsten medizinischen Fachblätter aller Welt in größerem Umfang berücksichtigt. Von den neu aufgenommenen Zeitschriften sind teils Nachträge aus den letzten 5 Jahren verzeichnet. Weitere Nachträge zu den neu aufgenommenen Zeitschriften und zu solchen, welche zur Zeit schwer bzw. nicht erreichbar sind, folgen möglichst in den nächsten Bänden.
